Finding Masculinity: Female to Male Transition in Adulthood Alexander Walker, Emmett J.P. Lundberg
"Living out something you've spent countless hours daydreaming about and wondering about is an experience that isn't easily put into words." - Will Krisanda
Finding Masculinity is a collection of stories from a small cross section of the transgender male community that shares insight into the diversity of life experiences of transgender men, beyond the traditional narrative. This anthology examines the many facets of life that transition impacts; transitioning on the job, emotional and spiritual growth, family, navigating the medical community, as well as romantic relationships. The stories within come from scientists, teachers, fathers, veterans, and artists who share how being visible as the masculine humans they identify as has developed, changed, and evolved their sense of masculinity.
