## **Rome** Greg Woolf

The idea of empire was created in ancient Rome and even today the Roman Empire offers a powerful image for thinking about imperialism. Traces of its monuments and literature can be found across Europe, the Near East, and North Africa - and sometimes even further afield. This is the story of how this mammoth empire was created, how it was sustained in crisis, and how it shaped the world of its rulers and subjects - a story spanning a millennium and a half. Chapters that tell the story of the unfolding of Rome's empire alternate with discussions based on the most recent evidence into the conditions that made the Roman imperial achievement possible and also so durable, covering topics as diverse as ecology, slavery, and the cult paid to gods and men. Rome was not the only ancient empire; comparison with other imperial projects helps us see what it was that was so distinctive about ancient Rome. Ancient Rome has also often been an explicit model for other imperialisms. Rome, an empire's story shows quite how different Roman imperialism was from modern imitations. The story that emerges outlines the advantages of Rome had over its neighbours at different periods - some planned, some quite accidental - and the stages by which Rome's rulers successively had to change the way they ruled to cope with the problems of growth as Greg Woolf demonstrates, nobody ever planned to create a state that would last more than a millennium and a half, yet the short-term politics of alliances between successively wider groups created a structure of extraordinary stability. Rome's empire was able, in the end, to survive barbarian migrations, economic collapse and even the conflicts between a series of world religions that had grown up within it, in the process generating an imagery and a myth of empire that is apparently indestructible.

### **From reader reviews:**

#### **James Horowitz:**

As people who live in the actual modest era should be update about what going on or details even knowledge to make all of them keep up with the era that is certainly always change and advance. Some of you maybe will update themselves by reading through books. It is a good choice for yourself but the problems coming to anyone is you don't know what kind you should start with. This Rome is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

#### **Greg Little:**

The book Rome will bring someone to the new experience of reading any book. The author style to describe the idea is very unique. In the event you try to find new book to study, this book very suited to you. The book Rome is much recommended to you to read. You can also get the e-book from official web site, so you can more easily to read the book.

#### **Alissa Sowell:**

This Rome is great reserve for you because the content that is certainly full of information for you who have always deal with world and get to make decision every minute. This specific book reveal it info accurately using great plan word or we can claim no rambling sentences within it. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but tricky core information with wonderful delivering sentences. Having Rome in your hand like having the world in your arm, information in it is not ridiculous one. We can say that no reserve that offer you world throughout ten or fifteen small right but this guide already do that. So , it is good reading book. Hey there Mr. and Mrs. occupied do you still doubt in which?

#### **Harold Young:**

E-book is one of source of understanding. We can add our information from it. Not only for students but also native or citizen have to have book to know the up-date information of year to year. As we know those textbooks have many advantages. Beside we add our knowledge, also can bring us to around the world. Through the book Rome we can have more advantage. Don't you to be creative people? For being creative person must choose to read a book. Just choose the best book that suited with your aim. Don't always be doubt to change your life at this book Rome. You can more attractive than now.
