Smokie: Life Beyond Alice

Terry Uttley, Tom Balaam

Smokie: Life Beyond Alice Terry Uttley, Tom Balaam

One of the most instantly recognisable sounds in the world of popular music today is that of Smokie. They have enjoyed global success since the mid-1970s, and continue to this day to play to sell out audiences all over the world. To enjoy such popularity over nearly four decades is an incredible achievement, and yet the band continues to go from strength to strength.

Terry Uttley is one of the founder members of the group and has experienced it all, from chart-topping singles and albums, to lawsuits and near bankruptcy; from immense highs to the deepest of lows, both personally and professionally. He has been on an incredible roller-coaster ride since meeting up with Chris Norman and Alan Silson as young lads in a Bradford Catholic school playground. Here, for the first time ever, Terry relates his memories and thoughts on what is a most fascinating insight into the tale of one of music's most endearing bands.

The story of Smokie's emotional journey will make you smile and maybe cry; changes in personnel and management have occurred over the years, and yet the distinct vocal harmonies and the 'Smokie sound' have remained constant throughout. Terry Uttley has been the heart and soul of Smokie since day one – this is his fascinating story.
