**Thinking Philosophically: An Introduction to the Great Debates** David Roochnik

*Thinking Philosophically: An Introduction to the Great Debates* presents a highly accessible introduction to five of the most fundamental debates in world philosophy.

- Introduces five fundamental philosophical debates in a highly engaging and accessible manner that invites readers to enter the discussion themselves
- Features chapters that each consider a central philosophical question dialectically by exploring the conflicting approaches of different philosophers
- Argues that the work of philosophers like Plato and Rousseau is just as relevant today as it was in their own time
- Provides a structure that encourages readers to apply philosophical principles to their everyday lives
