Dear Diary Lesley Arfin

A collection of a girl's funniest diary entries from 12 to 25 years old. She updates each entry by tracking down the people involved and asking awkward questions like, "Do you remember when I tried to beat you up?" Sometimes old friends apologize. Sometimes they become new enemies. No matter who she talks to about the days we all discovered sex, drugs, and rock 'n roll, one thing becomes abundantly clear: Boys are totally immature.

"Here's your chance to have all the benefits of a tortured adolescence without the shitty childhood. Congradulations!"

—Sarah Silverman

So , for every you who want to start studying as your good habit, you can pick Dear Diary become your current starter.

Pearl Young:

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Dear Diary can make you sense more interested to read.
