#### Houses: A Contemporary Guide (Special Topics in Astrology Series) Gwyneth Bryan

On this entertaining jaunt through the stars, Gwyneth Bryan takes us on a tantalizing tour of house-based astrology.

Blending astrology, psychology, and metaphor, this astrological guide helps readers grasp the dynamics of each of the twelve astrological houses. Humor and personal anecdotes bring astrological concepts-such as the Ascendant, Descendant, Midheaven, and the Nadir-to life. The astrological birth charts of Bill Clinton, Gloria Steinem, Donald Trump, Martha Stewart, George W. Bush, and other important icons are used as colorful examples to demonstrate how the planets within each house can influence childhood, physical appearance, personality, career, relationships, spiritual growth, and other aspects of life.
