# Kant and Colonialism: Historical and Critical Perspectives

## **Kant and Colonialism: Historical and Critical Perspectives**

This is the first book dedicated to a systematic exploration of Kant's position on colonialism. Bringing together a team of leading scholars in both the history of political thought and normative theory, the chapters in the volume seek to place Kant's thoughts on colonialism in historical context, examine the tensions that the assessment of colonialism produces in Kant's work, and evaluate the relevance of these reflections for current debates on global justice and the relation of Western political thinking to other parts of the world.
