"READS LIKE A CLASSIC" Market Wizard, Mark Minervini "THE BEST BOOK THAT WILL NEVER GET AN AWARD" William Leung, Trader, China The market wizards have given the widest variety of trading advice imaginable. Ritchie continues the trend with a ground breaking thesis that one must learn how to lose. Everyone wants to take on risk, reap the rewards, and do it without any drawdown. Ritchie provides the first mathematical proof that such a goal is impossible, and could be a recipe for disaster. Ritchie gives you two choices – lose like a pro and keep trading, or lose like a novice and quit. He even includes sections for Christians who quietly suffer from the guilt of expanding the gap between the rich and everyone else.
