Two Natures in Conflict: Winning Over Fleshly Battles Bishop Ephraim J. Udofia

This book carefully addresses the conflicts between the old and new nature, the spiritual and the natural aspects of a believer's life with the view of laying out winning solutions. It's the compass to navigate the torrential terrains of this war within our natures. If you have ever struggled with damaging tendencies and habits to no end, I believe strongly that the strategies laid out in this book are keys to victory. You will unravel the secrets of being the Master rather than the servant, a victor instead of the victim. More secrets await you, on how to put a padlock on the doors of carnality outlets, so as to enjoy the victory our Lord Jesus provided.
