El pais de las lagrimas (Spanish Edition) Mario Escobar

"La vida de tres mujeres entrelazadas por su pasado. Una madre dispuesta a regalar su memoria a su hija, una nieta que descubrirá el mayor legado que tiene su familia, la historia de un viaje que les cambiará para siempre". El trayecto de Fortaleza y su madre es casi el mismo viaje de desolación, destrucción y angustia en un España destruida por la guerra. España es, en 1939, un país sepultado por el odio, la venganza y la muerte donde no era raro ver cadáveres en las cunetas. La protagonista saldrá en busca de justicia, acosada por la angustia y el dolor, pero descubrirá que el amor tiene un gran poder de redención. Gente que considera su enemiga le ayudará en este duro viaje, en el que todos han perdido algo o a alguien. La historia de cada uno de nosotros, escrita desde el corazón. Con El País de las Lágrimas Mario Escobar muestra una línea literaria completamente diferente a la que nos tenía acostumbrados. Estamos ante una prosa llena de lirismo y, sobre todo, ante una historia que, desde la sencillez, plasma de forma brillante y descarnada el dolor de una mujer derrotada pero que, sacando fuerzas de flaqueza, sigue adelante a pesar de que palpa desde el principio la magnitud de la tragedia. Mario Escobar deja sobre la mesa su aportación a la novelística sobre la Guerra Civil con una obra que vale la pena conservar en la memoria. Autor:
