For all introductory genetics courses

A forward-looking exploration of essential genetics topics

Known for its focus on conceptual understanding, problem solving, and practical applications, this bestseller strengthens problem-solving skills and explores the essential genetics topics that today's students need to understand. The **Ninth Edition** maintains the text's brief, less-detailed coverage of core concepts and has been extensively updated with relevant, cutting-edge coverage of emerging topics in genetics. The accompanying MasteringGenetics online homework and assessment system has been updated with over 100 practice problems and an expanded selection of assignable end-of-chapter problems.

Also Available with MasteringGenetics

This title is also available with MasteringGenetics — an online homework and assessment program that guides students through complex topics in genetics and strengthens problem-solving skills using in-depth tutorials that coach students to the correct answers with hints and feedback specific to their misconceptions and errors. MasteringGenetics offers additional opportunities for students to master key concepts and practice problem solving, using interactive tutorials with hints and feedback. Instructors may also assign pre-lecture quizzes, end-of-chapter problems, practice problems, and test bank questions that are automatically scored and entered into the Mastering gradebook.

Students, if interested in purchasing this title with MasteringGenetics, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.

From reader reviews:

Cynthia Hughes:

As people who live in the actual modest era should be revise about what going on or details even knowledge to make all of them keep up with the era that is certainly always change and move forward. Some of you maybe will probably update themselves by studying books. It is a good choice for you but the problems coming to you actually is you don't know what type you should start with. This Essentials of Genetics (9th Edition) is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

George Harvey:

Reading a guide tends to be new life style on this era globalization. With examining you can get a lot of information that could give you benefit in your life. Having book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A great deal of author can inspire all their reader with their story as well as their experience. Not only the story that share in the textbooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors in this world always try to improve their talent in writing, they also doing some exploration before they write on their book. One of them is this Essentials of Genetics (9th Edition).

John Dinwiddie:

In this period globalization it is important to someone to receive information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of personal references to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher that print many kinds of book. Typically the book that recommended for your requirements is Essentials of Genetics (9th Edition) this book consist a lot of the information in the condition of this world now. This particular book was represented how do the world has grown up. The vocabulary styles that writer value to explain it is easy to understand. Typically the writer made some analysis when he makes this book. This is why this book appropriate all of you.

Arthur Freeman:

Publication is one of source of information. We can add our knowledge from it. Not only for students but additionally native or citizen require book to know the up-date information of year to be able to year. As we know those guides have many advantages. Beside many of us add our knowledge, may also bring us to around the world. From the book Essentials of Genetics (9th Edition) we can acquire more advantage. Don't you to definitely be creative people? To become creative person must love to read a book. Just choose the best book that suitable with your aim. Don't always be doubt to change your life with that book Essentials of Genetics (9th Edition). You can more desirable than now.
