More Nudes (English, French, German, Italian and Spanish Edition)

In this work from the master of the contemporary photographic nude, Bitesnich displays his consummate flair for capturing the abstract beauty of the human body. His exacting lighting, extraordinary arrangements of figures, and sense for the novel set him apart. Transforming curves and profiles into highly kinetic compositions, he challenges us to see the familiar in fresh ways. Displaying technical excellence and artistic originality these images, now reprinted in a smaller hardback edition, redefine the boundaries of nude photography.
